

**Dr. C SELVAMONY**  
**Professor, Department of Civil Engineering,**  
**PSN College of Engineering and Technology**

S.No	Title of Publications	Authors	Year of Published
1.	‘Mathematical Prediction for BFRP Retrofitted after Fatigue Loading of Concrete Specimens JOURNAL OF ADVANCES IN CHEMISTRY	R Anandakumar, MS Ravikumar, C Selvamony,	2017
2.	China clay industrial waste in concrete Gradevinar 69 (12), 1111-1123	Seeni Arumugam Selvamony Chachithanantham Anandakumar Ramaswamy Ravikumar Muthusamy BrightSingh Seeni	2017
3.	‘An experiment investigation on concrete by using e-waste as fine aggregate and enhanced the thermal insulation and ultrasonic properties International Journal of Civil Engineering and Technology 8 (12), 392-399	AA Dhanraj, C Selvamony, A Joshuva	2017
4.	‘Performance and Behaviour of Ground Granulated Blast Furnace Slag Imparted to Geopolymer Concrete Structural Elements and Analyzed with ANSYS Advances in Materials Science and Engineering 2016	Anandakumar Ramaswamy Maria Rajesh Antonyamaladhas, Selvamony Chachithanantham	2016
5.	‘A Comparative Study on Thermal Insulation Properties of Partial Replacement of Fine Aggregate by E-Waste Material (FR-4) In M30Grade with Conventional Concrete Key Engineering Materials 692, 104-109	AA Dhanraj, C Selvamony	2016
6.	Experimental Investigation on Structural Joints Cast with Concrete Containing Redmud Asian Journal of Research in Social Sciences and Humanities 6 (6), 691-700	D Linorametilda, C Selvamony	2016
