Emergency braking mechanism for an elevator using hydraulic and
pneumatic actuation 2019

N Rohatgi, K Mehta, P Sarkar, TC Michael

International Journal of Reliability and Safety 13 (1-2), 125-137

Suitability of assumed cross sections to include ovality in the limit analysis
of pipe bends under in-plane closing moment and internal pressure 2018

TC Michael, AR Veerappan, S Shanmugam

Thin-Walled Structures 122, 545-553

**COLLAPSE LOAD OF PIPE BENDS WITH ASSUMED AND ACTUAL
CROSS SECTIONS UNDER IN-PLANE AND OUT-OF-PLANE
MOMENTS**

TC Michael, PA Diliprao, AR Veerappan
