

Publication details of Dr.M.Manikandan:

1. Microstructure and mechanical properties of alloy C-276 weldments fabricated by continuous and pulsed current gas tungsten arc welding techniques M Manikandan, N Arivazhagan, MN Rao, GM Reddy Journal of Manufacturing processes 16 (4), 563-572 63 2014
2. Improve ment of microstructure and mechanical behavior of gas tungsten arc weldments of alloy C-276 by current pulsing M Manikandan, N Arivazhagan, MN Rao, GM Reddy Acta Metallurgica Sinica (English Letters) 28 (2), 208-215 53 2015
3. Friction stir welded butt joints of AA2024 T3 and AA7075 T6 aluminum alloys A Pa, M Ma, A Na, DR Ka, N Sa Procedia Engineering 75, 98-102 35 2014
4. Investigation of microstructure and mechanical properties of super alloy C-276 by continuous Nd: YAG laser welding M Manikandan, PR Hari, G Vishnu, M Arivarasu, KD Ramkumar, Procedia Materials Science 5, 2233-2241 30 2014
5. Investigations on the microstructure and mechanical properties of multi-pass pulsed current gas tungsten arc weldments of Monel 400 and Hastelloy C276 KD Ramkumar, V Joshi, S Pandit, M Agrawal, OS Kumar, S Periwal, ... Materials & Design 64, 775-782 29 2014
6. Development of welding technology for improving the metallurgical and mechanical properties of 21st century nickel based superalloy 686 B Arulmurugan, M Manikandan Materials Science and Engineering: A 691, 126-140 25 2017
7. High-temperature corrosion behaviour of air plasma sprayed Cr3C2-25NiCr and NiCrMoNb powder coating on alloy 80A at 900° CV Sreenivasulu, M Manikandan Surface and Coatings Technology 337, 250-259 19 2018
8. Characterization of metallurgical and mechanical properties of commercially pure copper and AISI 304 dissimilar weldments C Roy, VV Pavanan, G Vishnu, PR Hari, M Arivarasu, M Manikandan, Procedia Materials Science 5, 2503-2512 19 2014
9. Investigations on mechanical and metallurgical properties of dissimilar continuous GTA welds of Monel 400 and C-276 S Pandit, V Joshi, M Agrawal, M Manikandan, KD Ramkumar, .rocedia Engineering 75, 61-65 17 2014
10. Review on friction stir welding of steels KM Venkatesh, M Arivarsu, M Manikandan, N Arivazhagan Materials Today: Proceedings 5 (5), 13227-13235 16 2018
11. Development of welding technique to avoid the sensitization in the alloy 600 by conventional Gas Tungsten Arc Welding method A Srikanth, M Manikandan Journal of Manufacturing Processes 30, 452-466 16 2017
12. Optimization of the pulsed current gas tungsten arc welding process parameters for alloy C-276 using the Taguchi method M Manikandan, MN Rao, R Ramanujam, D Ramkumar, N Arivazhagan, Procedia Engineering 97 (97), 767-774 15 2014
13. Performance of plasma spray coatings on Inconel 625 in Air oxidation and molten salt environment at 800 C K Katiki, S Yadlapati, SNS Chidepudi, M Manikandan, M Arivarasu, .International Journal of ChemTech Research 6 (5), 2744-2749 11 2014
14. Friction based joining process for high strength aerospace aluminium alloy SANJ Reddy, R Sathiskumar, KG Kumar, S Jerome, AV Jebaraj, ... Materials Research Express 6 (8), 0865a3

15. Development of welding technique to suppress the microsegregation in the aerospace grade alloy 80A by conventional current pulsing technique P Subramani, M Manikandan Journal of Manufacturing Processes 34, 579-592 9 2018
16. Preclusion of carbide precipitates in the Hastelloy X weldment using the current pulsing technique M Sathishkumar, M Manikandan Journal of Manufacturing Processes 45, 9-21 7 2019
17. High temperature studies on welded joint in molten salt power plant environments M Arivarasu, M Manikandan, K Gokulkumar, V Rajkumar, ... International Journal of ChemTech Research 6 (1), 409-415 7 2014
18. Analysis of physical and mechanical properties of A3003 aluminum honeycomb core sandwich panels S Rajkumar, B Arulmurugan, M Manikandan, R Karthick, S Kaviprasath Applied Mechanics and Materials 867, 245-253 6 2017
19. Investigation on hot corrosion behavior of plasma spray coated nickel based superalloy in aggressive environments at 900°C N Prasad, K., Mukherjee, S., Antony, Manikandan M, K.Devendranath Ramkumar ... International Journal of ChemTech Research 6 (1), 416-431
20. Investigation of structure property relationship of the dissimilar weld between austenitic stainless steel 316L and duplex stainless steel 2205 AV Jebaraj, TS Kumar, M Manikandan Transactions of the Indian Institute of Metals 71 (10), 2593-2604 5 2018
