

**Name** : Dr. S. Grace Annapoorani  
**Designation** : Professor  
**Mobile No** : 9500509797  
**Address** : Department of Textiles and Apparel Design  
 Bharathiar University, Coimbatore – 641046  
**E-mail** : gracetad@buc.edu.in

#### PUBLICATIONS:

1. Dr.Grace Annapoorani & S.Divya, "Development Of Non-Woven Fabric Using Areca Husk For Textile Application", Journal of Textile and Fashion Technology (JTFT), Vol:5, Issue:1, Pp:1-6, June 2015
2. Dr.Grace Annapoorani & S.Divya, A Comparative study of needle punched Non- Woven fabric Blend using areca Catechu- L. With recycled Polyester fiber and Regenerated Viscose Rayon Fiber, Man Made Textiles in India, Pp 223, June 2015
3. Dr.S.Grace Annapoorani & D.Gopalakrishnan, Filtration in technical textiles, Asian textile journal, Vol: 25 Issue: 7, July 2016
4. Dr.S.Grace Annapoorani & S.Yamuna Devi, Development and analysis of oil finish on cotton fabric, Proceedings of National conference on " Eco – Textiles: a step towards sustainability" PP: 139-141, 2016
5. Dr.Grace Annapoorani & S.Yamuna Devi, "Development and Analysis of Oil Finish on Cotton Fabric" International Journal of Current Research and Review, Vol: 8 Issue: 5 Pp: 1-3 March 2016
6. Dr.Grace Annapoorani & K.Savitha, "Material and Characterization of New Cellulosic Fibers From Muntingiacalabura Stem", International Journal of Scientific Research in Science and Technology, Vol: 102, Issue: 7, Pp: 1-4, July 2017
7. Dr.Grace Annapoorani & S.Yamuna Devi, "Characterization of New Natural Fiber Extracted from Abelmoschusculentus stem", International Journal of Advance Engineering and Research Development, Vol: 04 Issue: 09, Sep 2017
8. Dr.Grace Annapoorani and S.Divya, "Investigating the characterization of fiber extracted from Wrightiatinctoria (Roxb.) ", BR International Journal of Applied Research, Vol: 102, Issue: 7, July 2017
9. Dr. S. Grace Annapoorani & S. Yamuna Devi, Characterization Of New Natural Fiber From Canna Indica Stem, Man Made Textiles In India, Vol: XLV, Issue: 9, Pp:302-307, Sep 2017
10. Dr.Grace Annapoorani & A.Malathi, Synthesis of silver Nanoparticles using Anisomeles Malabarica leaf extraction with cotton fabric, International Journal of Scientific Research Vol: 7, Issue: 8 PP 15-17, Aug 2018
11. Dr.Grace Annapoorani & K.Amutha, Natural dye extraction from agro – waste and its application on textiles, Asian Dyer, Vol: 16 Issue: 1, PP 35-39, Feb – March 2019

12. Dr.Grace Annapoorani & S.Yamuna Devi, Physical and thermal characterization of natural fiber extracted from *Caryota urens* spadix fiber, Indian Journal of Fiber & Textile Research, Vol: 44, PP 193-198, June 2019
13. K.Amutha & Dr.Grace Annapoorani, Dyeing of banana/Cotton union fabric with natural dye and mordants, International Journal of Applied Research ,Vol: 5, Issue:8 PP 24-26, Aug 2019
14. Dr.Grace Annapoorani & K.Savitha, Physical characterization of cellulosic fibres from *Sesbania grandiflora* stem, Indian Journal of Fiber & Textile Research, Vol: 44, PP 437-441, December 2019
