

1. [Climate change impact on fluvial flooding in the Indian sub-basin: A case study on the Adyar sub-basin](#)
A Ramachandran, K Palanivelu, BV Mudgal... - Plos one, 2019
2. [Study of evaluation of soil and water conservation measures on soil erosion at micro-watershed scale using RUSLE model and GIS](#)
E Arunbabu, K Logeswari - Indian Journal of Soil Conservation, 2018
3. [Integrating urban growth predictions and climate change for hydrologic assessment in Chennai basin](#)
R Kamaraj, A Elangovan - India SWAT conference. Centre for water resources ..., 2018
4. [Raindrop size distribution and radar reflectivity-rain rate relationship using optical laser disdrometer](#)^{*}
DD Rozario, E Arunbabu, BAM Kannan 2020
5. [Relating Rainfall erosivity and Depth of Rainfall: a statistical Procedure for Data scarce Regions](#)
E Arunbabu, S Ravichandran - Water and Energy International, 2016
