

Last Five Years Publications

1. **Sathish K.**, Bharati R., “On strong metric dimension of certain triangular tessellations”, International Journal of Pure and Applied Mathematics, 101 (5) (2015) 637 – 645.
2. **Sathish K.**, Bharati R., “Fault-tolerant resolvability of certain crystal structures”, Applied Mathematics, 7 (2016) 599 – 604.
3. **Sathish K.**, Bharati R., Muhammad I., “On the strong metric dimension of certain nanostructures”, Journal of Computational and Theoretical Nanoscience, 14 (2017) 354 – 358.
4. Sampathkumar E., Bharati R., **Sathish K.**, Sudeep S., “On certain energies of a one-point union of complete graph K_n ”, Proceedings of the Jangjeon Mathematical Society, 21 (1) (2018) 59 – 67.
5. Gowri B., Bharati R., **Sathish K.**, On edge domination of certain mesh derived networks, Jour of Adv Research in Dynamical & Control Systems, 10 (7) (2018) 124 – 128.
6. **Sathish K.**, Bharati R, Subramanian K. G., “Fault-tolerant metric dimension energy of graphs”, submitted in Applied and Computational Mathematics.
7. Gowri B., Bharati R., **Sathish K.**, Cyriac G., “On certain energies of Fibonacci cubes”, Caribbean Journal of Science, 53 (2) (2019) 267 - 273.
8. Vijayalakshmi A., Bharati R., **Sathish K.**, “On the strong metric dimension of honeycomb and its derived networks”, Caribbean Journal of Science, 53 (2) (2019) 354 – 364.
