

Member from other University/Institutions

Dr. A. Tamilselvi

Assistant Professor of Mathematics

Ramanujan Institute for Advanced Study in Mathematics,

University of Madras,

(M) +91 9952085461

Chennai – 600 005

Email: tamilselvi.riasm@gmail.com

LIST OF PUBLICATIONS (LAST FIVE YEARS)

1. A. Tamilselvi, A. Vidhya and B. Kethesan, “The Robinson-Schensted correspondence for walled Brauer algebras and walled signed Brauer algebras”, Algebra and its applications, 195–223, Springer Proc. Math. Stat., 174, Springer, Singapore, 2016.
2. A. Tamilselvi and R. Anitha, “Bijection between permutations in hyper octahedral group of type B_n and the symmetric alternative tableaux”, Adv. Math., Sci. J., Vol. 9 (9), 2020.
3. A. Tamilselvi, “Cellularity and Representations of Walled cyclic G-Brauer Algebras”, Malaya Journal of Matematik, 8(4), 1906 – 1911, 2020.
4. A. Vidhya and A. Tamilselvi, “On the decomposition of cyclic G-Brauer’s centralizer algebras”, Communicated.
5. A. Tamilselvi and K. Chinthana, “Planar automaton accepting Le-diagram, alternative tableaux”, Communicated.
6. A. Tamilselvi, “Character, norm and energy of G-Brauer Algebras”, Communicated.
7. A. Tamilselvi, “The Robinson-Schensted correspondence for the Walled cyclic G-Brauer Algebras”, Communicated.
