

**Name:** Dr. G. Rajamurugan

**Designation:** Associate Professor

**Organization:** VIT University, Vellore

**Publications:**

1. Impact of BaSO<sub>4</sub> filler on woven aloevera/hemp hybrid composite: Dynamic mechanical analysis M Arulmurugan, K Prabu, G Rajamurugan... - Materials Research Express, 2019
2. Dynamic mechanical analysis of 304 wire mesh reinforced hybrid Jute fiber/epoxy composite\* K Prabu, G Rajamurugan, M Thirumurugan - Journal of Industrial Textiles, 2019
3. Viscoelastic behavior of aloevera/hemp/flax sandwich laminate composite reinforced with BaSO<sub>4</sub>: Dynamic mechanical analysis M Arulmurugan, K Prabu, G Rajamurugan... - Journal of Industrial Textiles, 2019
4. Effect of barium sulphate on mechanical, DMA and thermal behaviour of woven aloevera/flax hybrid composites M Arulmurugan, AS Selvakumar, K Prabu... - Bulletin of Materials Science, 2020
5. Drilling and mechanical performance analysis on flax-sisal hybrid composite embedded with perforated aluminum foil G Rajamurugan, AP Sanjay, P Krishnasamy... - Journal of Reinforced Plastics and Composites, 2020
