

Name: Dr. K.Marimuthu

Designation: Professor

Organization: CIT, Coimbatore

Publications:

1. Optimization of machining parameters in turning of Al-SiC-Gr hybrid metal matrix composites using grey-fuzzy algorithm P Suresh, K Marimuthu, S Ranganathan, T Rajmohan - Transactions of Nonferrous Metals Society of China, 2014
2. Comparative study of cloud platforms to develop a Chatbot A Patil, K Marimuthu, R Niranchana - International Journal of Engineering & Technology, 2017
3. Prospective randomized trial comparing open reduction and internal fixation with minimally invasive reduction and percutaneous fixation in managing displaced intra-articular calcaneal fractures VS Kumar, K Marimuthu, S Subramani, V Sharma... - International orthopaedics, 2014
4. Natural fiber particle reinforced composite material for bone implant D Chandramohan, K Marimuthu - European Journal of Scientific Research, 2011
5. Tensile and hardness tests on natural fiber reinforced polymer composite material D Chandramohan, K Marimuthu - International Journal of Advanced Engineering Science ..., 2011
