

Dr.P.S.Ambily

Name : Dr.P.S.Ambily
Designation : Principal Scientist & Head
Department : Advanced Materials Laboratory
University/Institution : CSIR-Structural Engineering Research Centre
Place : Taramani, Chennai
Pin code : 600113
Mobile no : 9444042805 , 044-22549153
E- mail : ambilyps@serc.res.in, ambilypshanker@gmail.com
Area of specialization : Geopolymer, Ultra High Performance Concrete, 3D printing

PUBLICATIONS:

1. Prem, P.R., **Ambily, P.S.**, Vankudothu, B. and Bharatkumar, B.H., (2019), "Sustainable Production of High Performance Concrete", Reference Module in Materials Science and Materials Engineering, Vol.5, pp. 527-536.
2. Prem, P.R., Verma, M. and **Ambily, P.S.**, (2018). "Sustainable cleaner production of concrete with high volume copper slag", Journal of Cleaner Production, No. 193, pp.43-58.
3. B.Vijay Antony Raj, UmaraniGunasekaran and **P.S. Ambily**, (2017), "Experimental investigation on high volume fly ash based autoclaved aerated concrete reinforced with synthetic fibers", Journal of Structural Engineering, Vol. 44, No. 2.
4. Madheswaran, C.K., **Ambily, P.S.**, Dattatreya, J.K. and Ramesh, G., (2015), "Experimental Studies on Behaviour of Reinforced Geopolymer Concrete Beams Subjected to Monotonic Static Loading", Journal of the institution of engineers (India), Vol. 96, No.2, pp.139-149.
5. **Ambily, P.S.**, Umarani, C., Ravisankar, K., Prem, P.R., Bharatkumar, B.H. and Iyer, N.R., (2015), "Studies on ultra high performance concrete incorporating copper slag as fine aggregate", Construction and building materials, No.77, pp.233-240.
