

Behavior of CFRP strengthened CHS under axial static and axial cyclic loading

AP Kumar, R Senthil

KSCE Journal of Civil Engineering 20 (4), 1493-1500

Axial behaviour of CFRP-strengthened circular steel hollow sections

AP Kumar, R Senthil

Arabian Journal for Science and Engineering 41 (10), 3841-3850

Behaviour of Axially Loaded Steel Circular Hollow Columns Strengthened with CFRP

R Freya, DRR Senthil, AP Kumar

Int. Conf. on Structural and Civil Engineering
