

# Dr.K.Ranjith Kumar

## List of Publications

S.No	Title of Publication
1	FPGA based quasi Z- Source cascaded Multilevel Inverter using multicarrier PWM Techniques, Journal of Vibroengineering, vol 20, issue 3, 2018
2	Optimal Placement of TCSC, International conference on knowledge collaboration in Engineering, 2018
3	ANN-FLC based couple inductor SEPIC Converter on solar PV Applications, International conference on Renewable energy, 2018
4	Renewable Energy based water pumping system employing sensor less control BLDC Motor, National conference on alternative energy technology, 2018
5	PV Based SEPIC converter with MPPT Technologies for grid connected system, International journal of applied engineering technology, 2015.
