C Bala Subramanian received his Bachelor of Engineering in Electronics and Communication Engineering from Anna University, Chennai by 2006. He received his Master of Engineering in Applied Electronics from Anna University, Chennai by 2008. He has completed Ph.D degree in the area of Wireless Sensor Network in the department of Information Technology under Kalasalingam Academy of Research and Education by 2020. He is currently working as an Associate Professor in the Department of Computer Science and Engineering, Kalasalingam Academy of Research and Education. He has 12 years of experience in teaching and research. He has published more than 20 papers in reputed International Journals and Conferences. His areas of interest are Image and Signal Processing, Sensor Networks, Adhoc Networks, Wireless Communication, Internet of Things etc.
