Designation : CTO/ Technical Architect

Department : Design

Address : TECLEVER SOLUTIONS

Bangalore – 560 067

Phone : 9243176450

E-mail : karthik@teclever.com

Specializations :

1. Karthikeyan, R, Sainarayanan, G & Deepa SN ,Perceptual video quality assessment in H.264 video coding standard using objective modeling, Springer Plus 2014.
2. Karthikeyan, R & Sainarayanan G ,Analysis of Impairments in H.264 Compressed Video,18th Annual Symposium on Emerging Needs in Computing, Communication, Signals and Power,2014.
3. Karthikeyan, R, Sainarayanan, G & Deepa SN , Optimal Rate Control in H.264 Video Coding Based On Video Quality Metric,Research Journal of Applied Sciences, Engineering and Technology,2014.
4. Karthikeyan, R, Ajjar K & Balaji Krishnammagaru ,Performance evaluation of RTnet based communication for distributed control system, International Conference on Green Computing Communication and Electrical Engineering,2014.
5. Karthikeyan, R, Sainarayanan, G & Deepa SN ,Perceptual Video Quality Based Bitrate Control for Broadband Video Telephony Applications,IEEE International Conference on Green Computing, Communication and Electrical Engineering, 2014

Patent Publication:

Roundy, James Nathan Ramasamy, Karthikeyan ,Sonar Array With Hybrid Steering, Application Id 201741041047,2019.
