

Name	DR. RA M A K A L Y A N A Y Y A G A R I
Department	Professor, Dept of Instrumentation & Control Engg. (ICE)
Qualification	B.E.,M.E.,Ph.D. College- NIT-Trichy

1. [SCI, IF 5.744] Sharmila Devi, K., & Ramakalyan Ayyagari, "A Decentralized Signal Control for Non-lane-based Heterogeneous Traffic under V2I Communication," IEEE Tr. Intelligent Transportation Systems, vol. 21, No. 4, pp. 1741-1750, 2020.
2. [SCI] D. Ganesha Perumal, S. Seshadhri, B. Subathra, G. Saravanakumar, & R. Ayyagari, "MILP based autonomous vehicle path-planning controller for unknown environments with dynamic obstacles", Int. J. Heavy Vehicle Systems, Vol. 23, No. 4, pp. 350-369, 2016
3. [SCI, IF 5.744] Sharmila Devi, K., & Ramakalyan Ayyagari, "A Decentralized Signal Control for Non-lane-based Heterogeneous Traffic under V2I Communication," IEEE Tr. Intelligent Transportation Systems, vol. 21, No. 4, pp. 1741-1750, 2020.
