INTERNATIONAL JOURNALS				
S.No.	Title of Paper	Author (s)	Name & Vol. Of Journal.	Year & Page Nos.
1.	Analyzing factors necessitating conservation of energy in residential buildings of Indian subcontinent: A DEMATEL approach	Syed Shuibul Qarnain, S Muthuvel, S Bathrinath	Publication date 2020/2/22 Journal - Materials Today: Proceedings Publisher Elsevier	2020
2.	Analysis of social inequality factors in implementation of building energy conservation policies using Fuzzy Analytical Hierarchy Process Methodology	Syed Shuibul Qarnain, Muthuvel Sattanatha, Bathrinath Sankaranarayanan	Publication date 2020/9/25 Journal - International Journal of Sustainable Energy Planning and Management	2020 Volume 29 Pages 153-170
3.	Review on government action plans to reduce energy consumption in buildings amid COVID-19 pandemic outbreak	Syed Shuibul Qarnain, S Muthuvel, S Bathrinath	Publication date 2020/5/6 Journal Materials Today: Proceedings Publisher Elsevier	2020
4.	Analysis of Energy Conservation Factors in Buildings Using Interpretive Structural Modeling Methodology: An Indian Perspective	SS Qarnain, S Muthuvel, B Sankaranarayanan,	Journal of The Institution of Engineers (India):	2020 Series A, 1-19,
5.	Modelling of driving factors for energy efficiency in buildings using Best Worst Method	SS Qarnain, S Muthuvel, S Bathrinath,	Materials Today: Proceedings,	2020
6.	Testing and performance analysis of micro encapsulated rice bran distilled fatty acid	S Muthuvel, S Saravana Sankar, R Sudhakara Pandian, M Muthukannan	Publication date 2017 Journal International Journal of Computer Aided Engineering and Technology Publisher Inderscience Publishers (IEL)	2017 Volume - 9 Issue - 2 Pages - 154-165
