

1. Multi – response optimization of Micro – EDM process parameters on AISI 304 steel by using TOPSIS, R. Manivannan, M. P. Kumar, Journal of Mechanical Science and Technology 30 (1), 137 – 144.
2. Optimization of Dry EDM Process Parameters By Using Grey Relational Analysis, N. Pragadish, M. P. Kumar, Arabian Journal for Science and Engineering, 1 – 8.
3. Multi – attribute decision – making of cryogenically cooled micro – EDM drilling process parameters by using TOPSIS method, R. Manivannan, M. P. Kumar, Materials and Manufacturing Processes 32 (2), 209 – 215.
