

LIST OF PUBLICATIONS

Name: **Dr. S. THIRUGNANASAMBANDAM**

Designation: Professor

Department: Civil & Structural Engg.

Name of the Organization/Institution: Annamalai University

Place: Annamalainagar, Chidambaram

Pin code: 608 002

Whether Affiliated to Anna University: No

Mobile: 9443046146

E-mail: agstsai@gmail.com

Area of Specialization: structural Engineering

Publication Upload:

National

- 1.Kumaravel. S, Thirugnanasambandam. S and Antony Jeyasehar. C., , "Flexural behavior of geopolymer concrete beams with GGBS.", *The IUP Journal of Structural Engineering*, Volume 7, Number 1, Jan 2014, pp. 34-44. 2014.
- 2.C.Venkatachalapathy, S.Thirugnanasambandam, "Flexural Behaviour of Lightweight aggregate concrete beams.", *The IUP Journal of Structural Engineering*, Volume 7, Number 1, Jan 2014, pp. 34-44. 2014.
- 3.C.Venkatachalapathy, S.Thirugnanasambandam, "Flyash based light weight aggregate concrete containing steel fibres and polyester fibres.", *The IUP Journal of Structural Engineering*, Volume 7, Number 2, Mar 2014, pp. 15-24. 2014.
- 4.P.Srinivasan, K.Ravisankar, S.Thirugnanasambandam, "Non-Destructive Evaluation of Concrete Structures with Ground Penetrating Radar and Influencing Parameters.", *The IUP Journal of Structural Engineering*, Volume 5, Number 4, Oct 2012, pp. 43-52. 2012.
- 5.P.Srinivasan, K.Ravisankar, S.Thirugnanasambandam, "Identification of reinforcement and voids in concrete structures using ground penetration radar.", *Journal of Structural Engineering*, Volume 38, Number 6, Feb 2012, pp. 589-595. 2012.
- 6.C.Antony Jeyasehar, S.Thirugnanasambandam, "Repair and Rehabilitation of Structures.", *Indian Concrete Institute Update*, Volume 3, Number 11, Nov 2012, pp. 8-14. 2012.
- 7.C.Antony Jeyasehar, G.Mohankumar, S.Thirugnanasambandam, "Rehabilitation of RC T beams using external prestressing.", *Journal of the Annamalai University (Engineering)*, Volume 01, Number 01, Nov 2004, pp. 25-30. 2004.

List of Publications - International

- 1.P. Srinivasan, K. Ravisankar, S. Thirugnanasambandam, "Forensic evaluation of a large

LIST OF PUBLICATIONS

- reinforced concrete specimen using radar and impulse echo.", *International Journal of Forensic Engineering*, Volume 1, Number 3/4, Oct 2013, pp. 198-208. 2013.
- 2.C.Venkatachalapathy, S.Thirugnanasambandam, "Strength of Lightweight sintered pulverized fuel ash aggregate concrete with Hybrid fibres.", *International Journal of Engineering & Applied Sciences (IJEAS)*, , Volume 5, Number 2, 2013, pp. 38-47. 2013.
- 3.S.Kumaravel, S.Thirugnanasambandam, C.AntonyJeyasehar , "Flexural Behaviour of low calcium based Geopolymer concrete beams.", *International Journal of Engineering & Applied Sciences (IJEAS)*, , Volume 5, Number 1, 2013, pp. 24-31. 2013.
- 4.C.AntonyJeyasehar, G.Saravanan, M.Salahuddin, "Development of Flyash based Geopolymer precast concrete elements.", *Asian Journal of Civil Engineering*, Volume 14, Number 4, 2013, pp. 605-615. 2013.

List of Conferences - National

- 1.S.Kumaravel S.Thirugnanasambandam C.Antony Jeyasehar M.Salahuddin, Flexural Behaviour of Geopolymer Concrete Beams, *Structural Engineering Convention*, Dec 19-21, 2012, Surat., pp. 268-278. Surat., S. V. National Institute of Technology, Surat..
- 2.S.Thirugnanasambandam S.Kumaravel, Nano revolution in Civil Engineering. , *Tamil, Nano Technology*, Oct 20-20, 2012, Thanjavur, pp. 70-78. Thanjavur, Tamil University, Thanjavur.
- 3.S.Kumaravel S.Thirugnanasambandam, Geopolymer concrete, *Tamil Science Congress*, Aug 23-25, 2012, Salem, pp. 498-499. Salem, Periyar University, Salem..
- 4.G.Saravanan C.Antony Jeyasehar S.Thirugnanasambandam Kandasamy, Development of flyash based geopolymer precast concrete elements, *International FIB Symposium*, Jun 11-11, 2012, Stockhoalm., pp. 485-488. Stockhoalm., Stockhoalm..
- 5.P.Srinivasan K.Ravisankar S.Thirugnanasambandam, Radar and Ultrasonic Pulse Echo for Non Destructive Testing & Evaluation of RC Structures, *Non-destructive evaluation*, Dec 10-10, 2011, Trichi, pp. 291-294. Trichi, NIT, Trichy
- 6.P.Srinivasan K.Ravisankar Nagesh R.Iyer S.Thirugnanasambandam, Forensic analysis of a large scale RCC specimen using advanced NDT methods, *Forensic analysis of a large scale RCC specimen using advanced NDT methods*, Dec 15-17, 2010, Trichi, pp. 48-56. Trichi, NIT, Trichy
- 7.S.Thirugnanasambandam C.Venkatachalapathy, Sustainable development for aggregate: Light weight aggregate concrete., *Seventh Structural Engineering Convention*, Dec 8-10, 2010, Annamalainagar., pp. 510-517. Annamalai Nagar, Annamalai University, Annamalainagar..
- 8.C.Antony Jeyasehar S.Thirugnanasambandam S.Kumaravel, Development of Geopolymer concrete nominal mix., *Seventh Structural Engineering Convention*, Dec 8-10, 2010, Annamalainagar., pp. 574-580. Annamalai Nagar, Annamalai University, Annamalainagar..
- 9.P.Srinivasan K.Ravisankar S.Thirugnanasambandam, Identification of reinforcement and voids in concrete structures using ground penetration radar., *Seventh Structural Engineering Convention*, Dec 8-8, 2010, Annamalainagar., pp. 686-697. Annamalai Nagar, Annamalai University, Annamalainagar..
- 10.S.Thirugnanasambandam, Corrosion of steel in concrete, *Advancement in concrete technology*, Sep 23-24, 2010, Tiruchengode., pp. 22-30. Tiruchengode., KSR College of Engineering, Tiruchengode..

LIST OF PUBLICATIONS

- 11.C.Venkatachalapathy, S.Thirugnanasambandam, Modern developments in construction technology, *Modern developments in construction technology*, Aug 19-19, 2010, Tiruchengode, pp. 25-53. Tiruchengode, Sengunthar Engineering College, Tiruchengode.
- 12.C.Venkatachalapathy S.Thirugnanasambandam, A new dimension in aggregate: light weight aggregate concrete-an overview, *Advances in Materials and Techniques in Civil Engg*, Jan 7-9, 2010, Coimbatore, pp. 261-265. Coimbatore, V.L.B.Janaki Ammal Engineering and Technology, Coimbatore..
- 13.S.Thirugnanasambandam C.Antony Jeyasehar, Damage assessment of RC structural elements using NDT method, *Non-destructive evaluation*, Dec 10-12, 2009, Trichi, pp. 56-56. Trichi, NIT. Trichy.
- 14.S.Thirugnanasambandam C.Antony Jeyasehar, Rehabilitation of Corrosion damaged RC beams , *Disaster mitigation and rehabilitation of structures*, Mar 19-20, 2009, Annamalainagar., pp. 287-294. Annamalai Nagar, Annamalai University, Annamalainagar..
- 15.S.Thirugnanasambandam T.Sakthivel M.Pravin, Flyash as fine aggregate in polyester resin based polymer concrete , *Disaster mitigation and rehabilitation of structures*, Mar 19-20, 2009, Annamalainagar., pp. 303-310. Annamalai Nagar, Annamalai University, Annamalainagar..
- 16.C.Venkatachalapathy S.Thirugnanasambandam, Lightweight aggregate Concrete: a sustainable environmental management of a climate challenges. , *Climate change and environmental challenges*, Mar 7-8, 2009, Annamalainagar., pp. 151-151. Annamalai Nagar, Annamalai University, Annamalainagar..
- 17.C.Venkatachalapathy S.Thirugnanasambandam, Light weight concrete, *National conference on Science and Tamil*, Mar 6-7, 2009, Thanjavur, pp. 196-203. Thanjavur, Tamil University, Thanjavur.
- 18.S.Thirugnanasambandam C.Antony Jeyasehar, Damage Assessment of RC Structures using Neuro Fuzzy Logic, *Indian Science Congress*, , Jan 3-7, 2007, Annamalainagar., pp. 28-28. Annamalai Nagar, Annamalai University, Annamalainagar..
- 19.S.Thirugnanasambandam C.Antony Jeyasehar, Rehabilitation of Corrosion damaged RC beams using GFRP laminates, *5th Asian Symposium on Polymer in Concrete*, Sep 11-12, 2006, Chennai., pp. 595-602. Chennai., Structural Engineering Research Centre, Chennai..
- 20.S.Thirugnanasambandam C.Antony Jeyasehar, Repair of corrosion damaged RC Tee beam using Polymer Modified Concrete, *Conference on Concrete Technology for future*, , Apr 21-20, 2006, Erode, pp. 287-298. Erode, Kongu Engineering College, Perundurai, Erode.
- 21.C.Antony Jeyasehar G.Mohankumar S.Thirugnanasambandam, Bulk utilization of fly ash, *flyash for bricks and other building materials*, Jun 25-25, 2004, Metturdam, pp. 31-40. Metturdam, MTPS. Metturdam.
- 22.S.Vijayachitra S.Thirugnanasambandam, Neuro-fuzzymodeling of tertiary treatment process, *Safety, Health and Environment*, Feb 27-28, 2004, Annamalainagar., pp. 30-30. Annamalai Nagar, Annamalai University, Annamalainagar..
- 23.C.Antony Jeyasehar S.Thirugnanasambandam, Damage assessment of RC Tee beams using natural frequencies, *National Seminar on ADCONST*,, Dec 18-19, 2003, Annamalainagar., pp. 267-278. Annamalainagar., Annamalai University,

LIST OF PUBLICATIONS

Annamalainagar..

24.C.Nagarajan S.Thirugnanasambandam C.Jodhi, Rain water harvesting - A boon for augmenting the water potential - A case study, *National Conference on Water Resources Development and Management to be held during*, Feb 9-10, 2002, Ranchi. , pp. 59-64.

Ranchi. , Birla Institute of Technology, Mesra, Ranchi. .

25.K.Krishnamurthy S.Thirugnanasambandam, Quality Assurance Mechanism in Technical Education, *ISTE Annual National Convention & National Seminar on Integrating Human values in Technical Education*, Dec 27-29, 2001, Orissa., pp. 8-9. Orissa., Bhubaneswar, Orissa..

26.V.Thiruvenkatachari S.Thirugnanasambandam A.Geetha, Computer aided analysis of Coupled Shear Wall, *National Workshop on Advances in Structural Engg*, Dec 21-22, 2001, Tirupati., pp. 108-115. Tirupati., Sri Venkateswara University, Tirupati..

27.S.Thirugnanasambandam, Assessment of Fire Damage — An Overview, *AICTE — ISTE Winter School on DAR RCES*, Nov 19-30, 2001, Annamalainagar., pp. 495-503. Annamalainagar., Annamalai University, Annamalainagar..

28.V.Thiruvenkatachari S.Thirugnanasambandam A.Geetha, Shear wall Analysis, *Impact of Computers and Information Technology on Civil and Structural Engineering*, Aug 24-25, 2001, Coimbatore. , pp. 93-102. Coimbatore. , Karunya Institute of Technology, Coimbatore. .

29.K.Krishnamurthy S.Thirugnanasambandam, Professional Construction Management by using MS Project, *Impact of Computers and Information Technology on Civil and Structural Engineering*, Aug 24-25, 2001, Coimbatore, pp. 6-12. Coimbatore, Karunya Institute of Technology, Coimbatore. .

30.V.Thiruvenkatachari Rm.Senthamarai S.Thirugnanasambandam, Experimental Study on Chemical Resistant Mortar, *Concrete Technology for 21st century*, Feb 9-10, 2001, Annamalainagar., pp. 128-131. Annamalainagar., Annamalai University, Annamalainagar..

31.G.Mohankumar S.Thirugnanasambandam, Promotion of appropriate Technologies for sustainable developments, *Proceedings of National Seminar on New Perspectives and Prospects for Technical Education*, Jan 10-12, 2000, Trivendrum., pp. 46-50. Trivendrum., College of Engineering, Trivendrum..

32.S.Thirugnanasambandam K.Krishnamurthy , Performance of High Strength concrete with partial replacement of cement by Flyash, *National Seminar on Recent Trends in Concrete Technology*, May 7-8, 1999, Coimbatore, pp. 167-176. Coimbatore, Karunya Institute of Technology, Coimbatore. .

33.S.Thirugnanasambandam K.Krishnamurthy S.Anandakumar, Concrete Mix design with Computer Applications, *Recent Trends in Concrete Technology*, May 7-8, 1999, Coimbatore, pp. 25-34. Coimbatore, Karunya Institute of Technology, Coimbatore. .
