

Name : Dr. J.Selwin Rajadurai

Designation : Assistant Professor

Department : Mechanical Engineering

Organization/Institution : Alagappa Chettiar College of Engineering and Technology

Place & Pincode : Karaikudi-630004

Area of Specialization: Design, Composite

DC Member	Publication title	Journal name	Year
Dr.J.Selvin Rajadurai	Mechanical property analysis on bamboo-glass fiber reinforced hybrid composite structures under different lamina orders	Material Today Proceedings	2020
	Machining studies of Al7075 in CNC turning using grey relational analysis	Material Today Proceedings	2020
	Investigation on Helical Coiled Tube Heat Exchanger for Parallel and Counter Flow Using CFD Analysis	Proceedings of ICDMC	2020
	Mechanical Behaviour Analysis of Al6061Matrix and SiC – Kaolinite Reinforced Metal Matrix Composites Using Stir Casting	International Journal of Innovative Science and Research Technology	2020
	Potential of alkali treated cornhusk film as reinforcement for epoxy laminate composites	Cellulose	2020
	Task scheduling of AGV in FMS using non-traditional optimization techniques	International Journal of Simulation and Modelling	2010
