

Cellphone : 09445737696

e-Mail ID : veerajawahar@gmail.com

Address : A5, brown stone foundation, 8th main road, Ram
Nagar south, Madipakkam

Present Position

Professor, Department of Electronics and Communication Engineering, College of Engineering Guindy, Anna University, Chennai from August-2015.

Present Additional Responsibility

- Member of Technical Committee, Department of Electronics and Communication Engineering, Anna University, Chennai from September-2020.
- Assistant Executive Engineer (Electrical), Estate Office, Anna University, Chennai from October-2012.

Previous Positions

- Associate professor, Department of Electronics and Communication Engineering, College of Engineering Guindy, Anna University, Chennai during August-2012 and August-2015.
- Assistant Professor, Faculty of Information and Communication Engineering, College of Engineering Guindy, Anna University, Chennai during August-2008 and August-2012.

Previous Additional Responsibility

- Member, , Anna University, Chennai during March-2020 and March-2020.
- Special Invitee Of Purchase Committee Meeting, , Anna University, Chennai during September-2016 and December-2016.
- Standing Committee Member., SC/ST Cell, Anna University, Chennai during October-2012 and October-2016.
- Nss Program Officer, National Service Scheme, Anna University, Chennai during October-2005 and October-2012.
- Resident Counselor, Boys Hostel, Anna University, Chennai during January-2001 and July-2002.
- , , Anna University, Chennai.

Other Employment

- Associate Professor, Anna University for 3 Years.
- Assistant Professor, Anna University for 5 Years.
- Lecturer, Anna University CEG Campus for 2 years.
- TRA, Anna University CEG Campus for 4 years.
- Lecturer, Arupadai veedu institute of technology for 1 years.

Degree

- ❖ M.E. in Applied Electronics, Coimbatore Institute of Technology, Bharathiar University, Coimbatore. (1998 - 2000).
- ❖ B.E. in ELECTRICAL AND ELECTRONICS ENGINEERING , Hindustan College of Engineering, , Madras University, Chennai. (1994 - 1998).

Research Degree

- ❖ Ph.D. in Networking from Faculty of Information and Communication, Department of ECE, College of Engineering,, Anna University Guindy-Chennai-25 (2000 - 2006).
Title: Coordinated Fuzzy Congestion Controller in Intermediate Nodes..

Area of Specialisation

- Computer Networking, Computer Architecture, WSN.

Membership in Professional Organization

- Life Member ISTE
- Life Member CSI

Research Guidance

Number of Ph.D Scholars Guided	: 6
Number of Ph.D Scholars Guiding	: 4
Number of M.S (By Research) Students Guided	: 1
Number of M.E./ M.Tech. Projects Guided	: 20
Number of M.E./ M.Tech. Projects Guiding	: 5
Number of Ph.D Scholars Guided as Joint-Supervisor	: 2
Number of M.S (By Research) Students Guiding as Joint-Supervisor	: 1

Papers Published in Journals

Research Papers Published in International Journals : 55
 Research Papers Published in National Journals : 10

Papers Presented in Programmes

Research Papers Presented in International Programmes : 27

Research Papers Presented in National Programmes : 6

1. on A Simple Decision Based Neighborhood Filter for the Removal of Salt and pepper noise in images, Malaysia .
2. IA. Leo Sahaya Dharshini, 2K. Yasanth, 3Y. Jawahar Senthil Kumar, 4 Shirley Selvan , "Removal of high density salt and pepper noise using neighborhood based switching filter " presented in a International level conference on Removal of high density salt and pepper noise using neighborhood based switching filter, organised by International Conference on Signal Processing, Image Processing and Pattern Recognition (SIP), India .
3. R. Subhashini, V. Jawahar Senthil Kumar , on Shallow NLP Techniques for Noun Phrase Extraction, organised by IEEE.
4. "Secure Group Communication in Changing Topological networks using Key Graphs" presented in a International level conference on Secure Group Communication in Changing Topological networks using Key Graphs, Vienna, Austria .
5. "Throughput Improvement in Satellite Networks Using FGCA" presented in a International level conference on Throughput Improvement in Satellite Networks Using FGCA, Vienna, Austria .
6. "Fuzzy Congestion Control Algorithm" presented in a International level conference on Fuzzy Congestion Control Algorithm, Coimbatore, India .
7. "Total Solution for Secure group communication in changing topological networks" presented in a International level conference on Total Solution for Secure group communication in changing topological networks, Athens, Greece .

8. "TCP Performance analysis over satellite networks using EP" presented in a International level conference on TCP Performance analysis over satellite networks using EP, Coimbatore, India .
9. "Image retrieval using Multiscale color Clustering" presented in a International level conference on Image retrieval using Multiscale color Clustering, India .
10. "Semantic image mining using Clustering techniques on heterogenous Features" presented in a International level conference on Semantic image mining using Clustering techniques on heterogenous Features, USA .
11. "Evaluating the Performance of Similarity Measures Used in Document Clustering and Information Retrieval" presented in a International level conference on Evaluating the Performance of Similarity Measures Used in Document Clustering and Information Retrieval, India .
12. "A Framework for Efficient Information Retrieval using NLP Techniques " presented in a International level conference on A Framework for Efficient Information Retrieval using NLP Techniques , organised by ACEEE,Bangalore, India .
13. "Unsymmetrical Trimmed Midpoint as Detector for Salt and Pepper Noise Removal " presented in a International level conference on Unsymmetrical Trimmed Midpoint as Detector for Salt and Pepper Noise Removal , India .
14. "A comparison study on image segmentation by Clustering Techniques" presented in a International level conference on A comparison study on image segmentation by Clustering Techniques, organised by organized by MGR University, India .
15. "A Simple Decision Based Neighborhood Filter for the Removal of Salt and pepper noise in images" presented in a International level conference on A Simple Decision Based Neighborhood Filter for the Removal of Salt and pepper noise in images, Malyasia .
16. on Cascaded Decision Based Non Linear Filters for High Density Salt and Pepper noise in Images and Videos, organised by Noorul Islam University, India .
17. "Content based Image Retrieval based on color and Texture Extraction with Relavance Feedback" presented in a International level conference on Content based Image Retrieval based on color and Texture Extraction with Relavance Feedback, Thailand .
18. "Content based image Retrieval based on color and Texture Extraction in Android" presented in a International level conference on Content based image Retrieval based on color and Texture Extraction in Android.
19. "Throughput analysis of TCP/IP over Satellite Networks" presented in a National level conference on Throughput analysis of TCP/IP over Satellite Networks, organised by P.S. G. College of Technology, Coimbatore., India .
20. "Binary-Truncated CDMA- Based Modelling for Chip Network" presented in a National level conference on Binary-Truncated CDMA- Based Modelling for Chip Network.
21. "Feature Selection by Natural Language Processing" presented in a National level conference on Feature Selection by Natural Language Processing, organised by Sathyabama University, India .

22. "A Comparision of Similarity Measures for Information Retrieval" presented in a International level conference on A Comparision of Similarity Measures for Information Retrieval, organised by Vellammal Engineering College, India .
23. "Using Phrase Based Clustering on the Dynamic Collection of News Sites" presented in a National level conference on Using Phrase Based Clustering on the Dynamic Collection of News Sites, organised by Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya , India .
24. ""Integrating Natural Language Processing and Document Clustering for Effective Information Retrieval"" presented in a National level conference on "Integrating Natural Language Processing and Document Clustering for Effective Information Retrieval", organised by Aarupadai Veedu Institute of Technology, Vinayaka Missions University.
25. "FPGA Implementation of Snake like Sorting for Impulse noise Removal" presented in a National level conference on FPGA Implementation of Snake like Sorting for Impulse noise Removal, organised by Karunya University Coimbatore, India .
26. C Sheeba Joice, SR Paranjothi, Jawahar Senthil Kumar, "Practical implementation of four quadrant operation of three phase Brushless DC motor using dsPIC" presented in a International level conference on Practical implementation of four quadrant operation of three phase Brushless DC motor using dsPIC, organised by IEEE.
27. Balayan MS, RB Jayakumari, VJ Senthilkumar, "Congestion control in wireless sensor networks using prioritized interface queue" presented in a International level conference on Congestion control in wireless sensor networks using prioritized interface queue, organised by IJCA Proceedings on International Conference in Recent trends in Computational Methods, Communication and Controls (ICON3C 2012), vol. ICON3C.
28. V Jawahar Senthilkumar, S Karthik, SK Srivatsa, on Coordinated Fuzzy gateway congestion control algorithm, organised by TENCON03, Bangalore, India from 15-Oct-2003 to 17-Oct-2003.
29. B Chidhambararajan, V Jawahar Senthilkumar, S Karthik, DR Srivatsa, on Satellite laser communication networks–A layered approach, organised by WSEAS, Istanbul Turkey from 27-May-2006 to 29-May-2006.
30. R Harikrishnan, V Jawahar Senthil Kumar, P Sridevi Ponmalar, "Firefly algorithm approach for localization in wireless sensor networks" presented in a International level conference on 3rd International Conference on Advanced Computing, Networking and Informatics, India from 23-Jun-2015 to 25-Jun-2015.
31. M Dayanidhy, V Jawahar Senthil Kumar, "SEP of the min-max selection combining over Rayleigh fading channel" presented in a International level conference on 2016 International Conference on Wireless Communications, Signal Processing and Networking (WiSPNET), organised by SSN Institutions, Chennai, India from 23-Mar-2016 to 25-Mar-2016.
32. P SrideviPonmalar, R Harikrishnan, "Bat-firefly localization algorithm for wireless sensor networks" presented in a International level conference on 2017 IEEE international conference on computational intelligence and computing research (ICCIC), organised by Tamilnadu College of Engineering, Coimbatore, India from 14-Dec-2017 to 16-Dec-2017.

33. M Dayanidhy, V Jawahar Senthil Kumar, "Performance Evaluation of Multihop Multibranch DF Relaying Cooperative Wireless Network" presented in a International level conference on Big Data Innovation for Sustainable Cognitive Computing, India from 13-Dec-2018 to 15-Dec-2018.

Books Published

1. "Advances in Intelligent Systems and Computing - Book Chapter Titled Hybrid Genetic Algorithmâ€Differential Evolution Approach for Localization in WSN" authored by P. SrideviponmalarV. Jawahar Senthil Kumar and R. Harikrishnan and published by Springer.(2018)

Programme Chaired

1. level .

Programme Organized

1. National level conference.
2. level .

Programme Attended

1. Participated in a International level conference on "Coordinated Fuzzy gateway congestion control algorithm" , Bangalore, India.
2. Participated in a National level conference on ""Integrating Natural Language Processing and Document Clustering for Effective Information Retrieval"" organized by Aarupadai Veedu Institute of Technology, Vinayaka Missions University, INDIA .
3. Participated in a International level conference on "Using Phrase Based Clustering on the Dynamic Collection of News Sites" organized by Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya , INDIA .
4. Participated in a National level conference on "A Comparision of Similarity Measures for Information Retrieval" organized by Vellammal Engineering College, INDIA .
5. Participated in a International level conference on "Feature Selection by Natural Language Processing" organized by Sathyabama University, INDIA .
6. Participated in a National level conference on "Binary-Truncated CDMA- Based Modelling for Chip Network" , India.
7. Participated in a National level conference on "Throughput analysis of TCP/IP over Satellite Networks" organized by P.S. G. College of Technology, Coimbatore., INDIA .
8. Participated in a International level conference on "Phrase based clustering of documents" , INDIA .

9. Participated in a International level conference on "Image retrieval using Multiscale color Clustering" organized by sathyabama University, INDIA .
10. Participated in a International level conference on "Semantic image mining using Clustering techniques on heterogenous Features" organized by Organized by Coimbatore Institution of Technology, USA.
11. Participated in a International level conference on "Evaluating the Performance of Similarity Measures Used in Document Clustering and Information Retrieval" organized by SJB Institute of Technology, Bangalore, India.
12. Participated in a International level conference on "A Framework for Efficient Information Retrieval using NLP Techniques " organized by ACEEE,Bangalore, INDIA .
13. Participated in a International level conference on "A comparison study on image segmentation by Clustering Techniques" organized by organized by MGR University, INDIA .
14. Participated in a International level conference on "Cascaded Decision Based Non Linear Filters for High Density Salt and Pepper noise in Images and Videos" organized by Noorul Islam University, INDIA .
15. Participated in a International level conference on "Content based Image Retrieval based on color and Texture Extraction with Relavance Feedback" , Thailand.
16. Participated in a International level conference on "Content based image Retrieval based on color and Texture Extraction in Android" .
17. Participated in a International level conference on "FPGA Implementation of Snake like Sorting for Impulse noise Removal" organized by Karunya University Coimbatore, INDIA .

Special Repräsentations

1. Member of Specification Preparation Committee in Chennai Traffic Police from 18-Jun-2020
2. Expert of the Technical Committee in TamilNadu State Disaster Management Agency (TNSDMA) from 28-Apr-2016
3. Expert Member in Tamil Nadu Housing Board from 26-Sep-2018
4. Member in Board of Studies, Madras University from 01-Oct-2018 to30-Sep-2021.
