

**Dr. R. S. Sankara Subramanian**

**Professor**

**Department of Mathematics**

**PSG Institute of Technology and Applied Research**

**Coimbatore 641062**

**List of publications:**

1. A Comparative Study on Biometrics For Building Similarity Based Multimodal Biometric System, T Rubya, RS Sankarasubramanian, International Journal of Applied Engineering Research 10 (6), 14267-14275
2. FOBEZ-256 (A hashing function using Bezier curve), RS Sankarasubramanian, K Senthilkumar, 2010 IEEE International Conference on Computational Intelligence and Computing Research, 1-6
3. Proxy Blind Distributed Signature Scheme and Treatment with Finite Queue, Multi Server, Poisson Queue Model, R Anitha, RS Sankarasubramanian, International Journal of Tomography & Statistics 11 (W09), 93-106
4. Efficient Proprietary Certification Process and Secured Theft-Protected Proprietary Certificates, R Anitha, RS Sankarasubramanian, Int. J. Open Problems Comp. Math 1 (3)
5. IGI PUBLISHING, R Anitha, RS Sankarasubramanian,
6. Verifiable Encryption of Digital Signatures Using Elliptic Curve Digital Signature Algorithm and its Implementation Issues, R Anitha, RS Sankarasubramanian, Web Services Security and E-Business, 184-203
7. SKDC: SECURING KYC DATA IN CLOUD USING RE-ENCRYPTION, MS Jayashree, RSS Subramanian,
8. Identity Based Proxy Blind Distributed Signature and Its Applications to Health Care Insurance Service Management, R Anitha, RS Sankarasubramanian
