Dr. R.RAJANPRAKASH

Associate Professor

ELECTRICAL AND ELECTRONICS ENGINEERING

THIAGARAJAR COLLEGE OF ENGINEERING

MADURAI – 625015

1. Rajan Prakash, D Kavitha, S Charles Raja, “Identification of Opinion Difference in Teaching Learning Methods and Recommendation to Faculty” Journal of Engineering Education Transformations 33, 421-424, 2020.
2. Rajan Prakash, D Kavitha, S Charles Raja, “Enhanced Learning through Blended IC and DCN Strategies in C Programming for Non-Computer Science Students”, Journal of Engineering Education Transformations 33, 541-544, 2020.
3. Rajan Prakash, R, Venkatesh, P & Kottaisamy, M, “Comparative Study of Dielectric Properties of Nano filled Silicone Rubber”, Przegląd Elektrotechniczny (PE), April 2020.
4. R. Rajan Prakash, S Charles Raja, D Kavitha, “A Paradigm Shift from BCN to DCN Strategy for Effective Knowledge Transfer in Foundation Courses”, Journal of Engineering Education Transformation, February 2018.
5. R. Rajan Prakash, Venkatesh, P & Kottaisamy, M “Dielectric Properties of Silicone Rubber – TiO₂ Nanocomposites” National conference on Micro and Nano composites, March 2015.
6. R. Rajan Prakash, S Baskar, S J Thirvengadam, D Anitha “Analysis of In-house training workshops for enhancing faculty competence in CDIO Implementation - A case study”, Journal of Engineering Education Transformations, Accepted for publication.
