

Dr R. MOHAN

**ASSOCIATE PROFESSOR
SCHOOL OF MECHANICAL ENGINEERING
VIT UNIVERSITY CHENNAI**

Area of specialization: Micromachining, composite materials

Mail id: mohan.r@vit.ac.in

Mobile: 9884216335

Journal Publications Details

1. R. Nithish Kumar, R. Mohan, N. Gobinath (xxxx), Improvement in Production Line Efficiency of Hemming Unit using Line Balancing Techniques, Materials Today proceedings, accepted for publication.
2. Aditya Asabe, Deepak Tiwari, Manu Dubey, Vedant Joshi, Shardul Shrikhande and R Mohan (xxxx), Centralized Smart Air Purifier System for Industrial Applications, LNEE, Springer, Accepted for Publication.
3. Abimannan Giridharan, Jibin Oommen, V S Srisailesh, R Mohan (2020), Electrical Discharge Drilling of micro-hole on Inconel 718 using Rotary Tubular Electrode, Materials Today: Proceedings, Vol 22, 1723–1730
4. Mohan R and Deivanathan R (2019), A Review of self-sharpening mechanism of fixed abrasive tools, International Journal of Mechanical Engineering and Technology, Volume 10, Issue 02, pp. 965–974.
5. Giridharan A, Jibin Oommen, V S Srisailesh, and Mohan R (2019), Electrical Discharge Drilling of micro-hole on Inconel 718 using Rotary Tubular Electrode, International Conference on Materials, Manufacturing and Modelling (ICMMM) organized by VIT, Vellore, March 29-31.
