

Adalarasu K

Associate Professor., EIE. **SASTRA DEEMED UNIVERSITY**

1. AN EXPERT SYSTEM FOR ASSESSING SOLID FUEL POLLUTANTS FROM TRADITIONAL COOK-STOVESARPN Journal of Engineering and Applied Sciences 2015 | journal-article
2. Analysis of physiological signal variation between autism and control group in south Indian population
Biomedical Research Sciences 2015 | journal-article
3. Automatic Feeding System for Upper-Limb Amputees
International Journal of Applied Engineering Research Sciences 2015 | journal-article
4. Concepts and Approaches on Human Computer Interaction - A Review
Journal Of Pharmacy&Technology Sciences 2015 | journal-article
5. Design of Temperature Data-logger for Biomass Cook-stoves International Journal of Applied Engineering Research (IJAER) Sciences 2015 | journal-article
6. Development of Low Cost Wireless Physiological Monitoring System
International Journal Of Pharmacy & Technology Sciences 2015 | journal-article
7. Diagnosis of Diabetic Retinopathy from Fundus Image using Fuzzy C-means Clustering Algorithm IIOABJ Sciences 2015 | journal-article
8. Observing Human Behavior from Facial Expression Analysis Biomedicine
9. Stroke Rehabilitation through Physiotherapy- A Review International Journal of Pharmacy & Technology Sciences 2015 | journal-article
10. Wavelet Based EEG Analysis of Induced Emotion on South Indians
Australian Journal of Basic and Applied Sciences
