

Name	: Dr. T. Thenmozhi
Designation	: Associate Professor
Department	: School of Computing Science and Engineering
Institute	: VIT University,
Mobile	: 98652 30033
Email	: thenmozhi74@yahoo.co.in

List of Publications (for the past 5 years)

1. K Usha, T Thenmozhi, M Ezhilalarasan. (2018), " Multi-faceted and Multi-algorithmic Framework (MFMA) for Finger Knuckle Biometrics “ International Conference On Computational Vision and Bio Inspired Computing, pp 1681-1699, Springer, Cham.
2. T Thenmozhi, RM Somasundaram (2018), " Big Data Oriented Fuzzy Based Continuous Reputation Systems for VANET “ International Conference On Computational Vision and Bio Inspired Computing, pp 1665-1679, Springer, Cham.
3. T Thenmozhi, RM Somasundaram (2016), " Towards Modelling a Trusted and Secured Centralised Reputation System for VANET’s “ International Conference on Soft Computing Systems, pp 675-688, Springer, New Delhi.
4. T Thenmozhi, RM Somasundaram (2016), " Pseudonyms based blind signature approach for an improved secured communication at social spots in VANETs Wireless Personal Communications, Vol 82,Issue 1,pp 643-658, Springer, US.
