

Publication of Dr. C.T.MANIMEGALAI

- Sriram, V, C.T Manimegalai, “Enhancement of MB-OFDM UWB System Using Space Time Transmit Diversity Technique ”, ICCVSP- International Conference on Communications and Signal Processing pp. 183-200,2014
- Sriram, V, C.T Manimegalai, “Performance Analysis of Space Time Transmit Diversity Technique in MB-OFDM UWB System”, ICMACE- International Conference on Mechanical Automation and Control Engineering pp. PP 72-78,2014
- C. S. Preetham and C. T. Manimegalai, “Performance Analysis And Optimal Resource Allocation In Non Line Of Sight OFDM-Based Cognitive networks”, ICCSP- International Conference on Communications and Signal Processing PP 323-329,2014
- C. S. Preetham and C. T. Manimegalai, “Optimal Resource Allocation In Non Line Of Sight OFDM-Based Cognitive networks”, ICBDM- International Conference on Emerging Trends in Engineering, Business and Disaster Management PP 104-110,2014
- Manish.T and C. T. Manimegalai, “Performance analysis of mb-uwB systems using co-operative communication with grouped relay”, Conference on Computing, Communication, Electrical, Electronics, Devices & Signal Processing (CCEEDS-2015) 218-224,2015
- Manish.T and C. T. Manimegalai, “Enhanced power control algorithm in cognitive radio for multimedia communication”, Conference on Computing, Communication, Electrical, Electronics, Devices & Signal Processing (CCEEDS-2015) 218-224,2015.
- Adithya,Aarnika and C. T. Manimegalai, “Smart Traffic Management Using a BIPV Powered Li-Fi Systems”, Conference on Computing, Communication, Electrical, Electronics, Devices & Signal Processing (ICEST-2016) 218-224,2016
- Rakshith K Salin, C.T.Manimegalai, “Optimizing SDN performance for small networks by enhancing open flow”, IFERP-- International Conference on Emerging trends in engineering and technology 328-334,2016
- Lijo Thomas and C.T.Manimegalai, “Strategic LTE Transitions on Cellular Broadcast Networks within Rural Areas using TV Bands”, International Conference on Computer Science and Mechanical Engineering (ICCSME),2016
