

Name : Dr. M.Senthil Kumar, M.Tech, Ph.D
Designation : Associate Professor
Department : Textile Technology
Address : PSG College of Technology, Coimbatore
Mobile : 86106 43346 E-mail:msk.textile@psgtech.ac.in

2017

1. Janarthanan, M. **Senthil Kumar, M.** “New bioactive non-implantable textile material using green seaweed for medical applications” International Journal of Clothing Science and Technology, 2017, Vol.29, pp.69-83.
2. Janarthanan, M. **Senthil Kumar, M** “Novel improvement of bioactive microencapsulated textile products using brown seaweed for healthcare applications” International Journal of Clothing Science and Technology, 2017 Vol. 29, pp.200-214.

2018

1. Janarthanan, M. **Senthil Kumar, M.** “The properties of bioactive substances obtained from seaweeds and their applications in textile industries” Journal of Industrial Textiles, 2018.Vol 48.
2. Thennarasu P, Prabunathan P and **Senthilkumar M.** “Development of biomass-derived functionalized activated carbon-coated and polyaniline-grafted cotton fabric with enhanced ultraviolet resistance” 2018 ,Journal of Industrial Textiles,Vol.47, pp: 1609-1625.
3. Janarthanan, M. **Senthil Kumar M** “A modern development of bioactive wound dressing material using Chaetomorpha linum seaweed/cotton blended fabric” International Journal of Clothing Science and Technology,2018, Vol. 30,pp.16-28.
4. Janarthanan, M & **Senthil Kumar M** “Extraction of Alginate from Brown Seaweeds and Evolution of Bioactive Alginate Film Coated Textile Fabrics for Wound Healing Application”,2018.
5. Janarthanan, M, & **Senthil Kumar M** “ Ontogenesis of Textile Face Mask Using Cotton Fabric By Treating With Red Seaweeds Extract For Cosmeto textile Applications” 2018, Journal of the Textile Institute.
6. K Chandrasekaran & **M Senthilkumar.** Effect of Herbal Extract Treatment on the Moisture Management Properties of Cotton Knitted Fabrics, Aug 2018, Journal of Natural Fibres.

2019

1. K Chandrasekaran & **M Senthilkumar**, “Moisture management properties of combination herbal extracts treated single jersey knitted fabrics” International Journal of Clothing Science and Technology, 2019, Vol. 31 ,pp. 284-298.
2. Guruswamy Umachitra, **Muthusamy SenthilKumar** & Pavayee Subramani Sampath, “Effect of fiber length on the mechanical properties of banana fiber – vinyl ester composites” Materials Testing, 2019, Vol. 61, pp. 155-158.
3. Anandhakumar J and **Senthilkumar M**, “A Study On Improving Dyeability of Polyester Fabric Using Lipase Enzyme” Autex Research Journal, (Accepted for Publication).
4. Janarthanan, M, & **Senthil Kumar M**, “Investigating the Antioxidant Properties of Seaweed Treated Cotton Fabrics for Hygienic Applications” International Journal of Clothing Science and Technology, 2019, Vol. 31, pp. 813-824.
5. K Chandrasekaran & **M Senthilkumar**, “Synergic antibacterial effect of Curcuma aromatica Salisb and Ocimum tenuiflorum Linn herbal extract combinations on treated cotton knitted fabrics against selective bacterial strains” Indian Journal of fibre & Textile Research, September 2019, Vol. 44, pp. 344-351.
6. Janarthanan, M. **Senthil Kumar, M**, “Chapter 5: Design and development of antimicrobial nonwoven patient gown using ulvalactuca and rosadamascena extracts for hygienic textiles” in the book titled ‘Industrial Textiles- Products, Applications and Prospects’ published by Woodhead Publishing India Pvt Limited, New Delhi, 2019, pp. 49-62.
7. Umachitra, G. **SenthilKumar M**, & Sampath, P. S. “Chapter 6: Effect of post-curing temperature on mechanical properties of banana - cotton fabric/vinylester hybrid composites” in the book titled ‘Industrial Textiles- Products, Applications and Prospects’ published by Woodhead Publishing India Pvt Limited, New Delhi, 2019, pp. 63-69.
8. Chandrasekaran K. **Senthil Kumar, M**, “Chapter 10: Polyherbal formulation concept in healthcare textiles development” in the book titled ‘Industrial Textiles- Products, Applications and Prospects’ published by Woodhead Publishing India Pvt Limited, New Delhi, 2019, pp. 97-104.
9. Anandha Kumar, J. **Senthil Kumar, M**, “Chapter 16: Comparative study on wound healing effect of acalypha indica and mexican mint for medical bandages” in the book titled ‘Industrial Textiles- Products, Applications and Prospects’ published by Woodhead Publishing India Pvt Limited, New Delhi, 2019, p. 177-184.

2020

1. Thennarasu P, Prabunathan P and **Senthilkumar M**, “Functionalization of Cotton Fabric with Titania Silica Aerogel Using Rice Husk as Precursor for Enhanced UV Shielding” Materials Today, 2020. Accepted for publication.

2. Chandrasekaran K, **Senthilkumar M.** Contributed a book chapter on “Healthcare and hygiene textile products” in the book titled ‘Antimicrobial Textiles from Natural Resources’ 2020,published by Elsevier Publications.
