Name : Dr . Mala John

Designation : Professor

Educational Qualification : Ph.D

Area of Specialization : Communication & Signal Processing

Image Processing & Pattern recognition

Email ID : malajohn@annauniv.edu (mailto:malajohn@annauniv.edu)

Educational Qualification

Post Held

Journals

3.Selvakumar Raja, Mala John, "A Novel Tamil Character Recognition Using Decision Tree Classifier", IETE Journal of Research, published by The Institution of Electronics and Telecommunicati. Vol. 59, Issue 5, pp. 574 - 580 (2013).

2. Selvakumar Raja and Mala John, "EM algorithm based adaptive custom thresholding for image denoising in Wavelet domain", International Journal of Imaging Systems and Technology , published by Wiley Interscience. Vol. 19, pp. 175-178 (2009).

1. Mala John, S.N.Sundaresan and P.V.ramakrishna, "Wavelet based Image Denoising: VQ-Bayesian Technique", Electronics Letters, published by IEE. pp. 1625-26 (1999).
