Dr. E. Srie Vidhya Janani,
Assistant Professor,
Department of CSE, Anna University Regional Campus,
Madurai.

Sl.No	Publication Details	Year
1	Overlay Networking to ensure seamless communication in Underwater Wireless Sensor Networks., ARR Pavitra, ESV Janani - Computer Communications, 2019	2019
2	Cost Effective Smart Farming With FARS-Based Underwater Wireless Sensor Networks., ESV Janani, ARR Pavitra, Handbook of Research on Implementation and Deployment of IoT Projects in Smart Cities, Pages 296-316, Publisher IGI Global, 2019.	2019
3	Evaluating the technical barriers of large scale sustainable wireless sensor network: A resources approach., E Srie Vidhya Janani, P Ganesh Kumar, Volume 46, pages 134 - 141, 2015.	2015
4	Compliant data-centric network processing for energy economic data collection in Wireless Sensor Networks, E Srie Vidhya Janani, P Ganeshkumar, Indian Journal of Science and Technology, volume 8, pages 506 - 512, 2015.	2015
5	Energy efficient cluster based scheduling scheme for wireless sensor networks, E Srie Vidhya Janani, P Ganesh Kumar, The Scientific World Journal, Hindawi, 2015.	2015
