Dr S Jothi - INDEXD SCOPUS PUBLICATIONS LIST

In International Journals

1. Yuvaraj R , Chandrasekar A and **Jothi S** (2018), 'Time orient LEAD based polling point selection algorithm for efficient data aggregation in wireless sensor networks', Cluster Computing-The Journal of Networks, Software Tools and Applications, **DOI:** 10.1007/s10586-018-2166-3

2. Manoranjini J, Chandrasekar A & **Jothi S** (2019), ' Improved QoS and avoidance of black hole attacks in MANET using trust detection framework', Automatika- Journal for Control, Measurement, Electronics, Computing and Communications **DOI:**10.1080/00051144.2019.1576965

3. Bala K, **Jothi S** & Chandrasekar A (2018), 'An enhanced intrusion detection system for mobile ad-hoc network based on traffic analysis', Cluster Computing-The Journal of Networks, Software Tools and Applications, **DOI:** 10.1007/s10586-018-2545-9.

4. **Jothi S** & Chandrasekar M (2016), 'Energy efficient sleep-scheduling for cluster based aggregation in wireless sensor network, Asian Journal of Information Technology, **DOI:** 10.36478/ajit.2016.3718.3724.

5. **Jothi S** & Chandrasekar M (2016), 'Cluster based compressed data aggregation and routing in WSN', International Journal of Intelligent Engineering and Systems, **DOI:** 10.22266/ijies2016.1231.08.

6. **Jothi S** & Chandrasekar M (2016), 'Fuzzy based optimal clustering protocol for maximizing lifetime in WSN', Research Journal of Applied Sciences, Engineering and Technology, **DOI:** 10.19026/rjaset.8.1027

International Conference Proceedings

1. Jenif D Souza W S , Jothi S & **Chandrasekar A** (2019), 'Automated Attendance Marking and Management System by Facial Recognition Using Histogram' , 2019 5th International Conference on Advanced Computing & Communication Systems (ICACCS) **DOI:** 10.1109/ICACCS.2019.8728399
