Publications of Dr.S.Batmavady – Member 2

1. S Batmavady,et.al., "An Improved Approach for The Classification of Exudates from Fundus Image", International Journal of Research in Computer Engineering & Technology", May 2016
2. Dr. S. Batmavady, E. Alamelu, "Secure Transmission of Medical Images Using Elliptic Curve Cryptography with Biometric Authentication", International Journal for Research in Applied Science, Engineering and Technology, April 2018.
3. S Batmavady, "An Improved Approach for the Segmentation and Classification of Melanoma Tumours", International Journal for Research in Applied Science, Engineering and Technology, April 2018.
4. S Batmavady, et.al,,"Detection of Cotton Leaf Disease using Image Processing", International conference on Artificial Intelligence and Evolutionary Computations in Engineering Systems, April 2019
