List of Publications in International Journals:

1. P.Sivakumar, "Offline Analysis of Sensor CAN Protocol Logs Without CAN/VECTOR Tool Usage", International Journal of Innovative Technology and Exploring Engineering, 2018.

2. P.Sivakumar, "Novelty Testing Measures and Defect Management in Automotive Software Development",Australian Journal of Basic and Applied Sciences ,2016.

3. P.Sivakumar, "Deployment of Effective Testing Methodology in Automotive Software Development", Circuits and Systems, 2016.

4. P.Sivakumar, "Model Based Design Approach for Component Design Implementation in Automotive System Development" Asian Journal of research in Social Sciences and Humanities, 2016.
