Dr.Vasanthamani K

Assistant Professor (Sr. Grade)

Department of ECE

PSG College of Technology

1. Energy optimized scheduling for non-preemptive real-time systems V Kannaian, V Palanisamy Turkish Journal of Electrical Engineering & Computer Sciences 25 (4), 3085-3096, 2017.

2. Energy-efficient scheduling for real-time tasks using dynamic slack reclamation V Kannaian, V Palanisamy, Turkish Journal of Electrical Engineering & Computer Sciences 27 (4), 2746-2754, 2019.

3. SPARK - A Tool for Synthesis and Analysis for Scheduling of Real-Time Tasks K Vasanthamani, DP Visalakshi, SR Shankar, Asian Journal of Research in Social Sciences and Humanities 7 (1), 990-999, 2017.

4. Development of a High Performance Body Control Solution for Commercial Vehicles in Emerging Market L Venkatakrishnan, K Vasanthamani, V Paquianadin, R Ganesh, S Sekar, SAE Technical Paper, 2011.

5. A heuristic Energy aware Real-Time scheduling approach for periodic tasks in homogenous multi-core systems K Vasanthamani, P Visalakshi, International Journal of Innovation and Scientific Research 25 (1), 32-37, 2016.
